Fellow Neighbor,

It has come to that time of the year again when the Clendenin Volunteer Fire Department (CVFD) finds it necessary to request your financial support. The CVFD is a non-profit organization which was established to serve the citizens of Clendenin and surrounding areas in emergency situations. All donations made to CVFD are tax-deductible. Please consider helping so we can continue to serve our community as we have in the past.

Over the years our commitment has been displayed in many ways some of which are:

- Our Volunteers save the community hundreds of thousands of dollars yearly, by providing time, talent and skills in training and responding to your 911 calls placing themselves in harm's way to protect you and your loved ones.
- Our services help the community to maintain lower insurance rates for our residents
- Working cooperatively with Kanawha County Emergency Ambulance Authority, we are able to provide emergency medical services 24 hours a day, 7 days a week in the most expeditious manner to save lives. Remember, you can call on us at any time and thirty-two (32) volunteers will be there for you. We only call on you once a year, so please be there for us.

Sincerely,

Members of the Clendenin Volunteer Fire Department
